

- If I bring a car to camp, I will not use it unless approved by the SMBA Manager.
- If I have any visitors while at camp, I will notify the SMBA Manager before the visitor arrives or as soon after as possible.
- In addition to dressing in Christian attire this summer, I will also follow the dress code for the campers who are attending for the week.
- I will attend and be on time at all staff meals unless my duties require me to be late.
- I will use the buddy system while swimming in the pool.
- I will not unlock any buildings for guests unless approved by the SMBA Manager.
- I will cheerfully do any duties that are assigned to me.
- I will be drug free as part of my lifestyle.
- I agree to abide by and accept the regulation of the SMBA staff. I will attempt to make the philosophy and objectives of the Assembly a successful reality, but most importantly, strive for my actions and attitudes to be Christ-like. I support the "Statement of Commitment" and will work toward achieving these personal goals in the upcoming weeks.
